A screenshot of a web browser displaying the 'El Paso Community College Master Plan' website. The browser address bar shows 'http://epccmasterplan.mindmixer.com/'. The website has a dark green header with the college logo and the text 'El Paso Community College Master Plan' and 'Share your ideas. Be heard. Build a better community.' Below the header, there are navigation tabs for 'Home', 'Topics', 'Activity', and 'About'. The main content area is titled 'Topics' and includes a sub-header 'Join the discussion and add to current topics. View All Topics'. There are two poll questions displayed. The first poll is titled 'Poll: Who's Listening?' and asks 'What is your relationship to El Paso Community College (EPCC)?' with radio button options for 'Student' and 'Faculty'. The second poll is titled 'Poll: Question for Students Only' and asks 'If you are currently a student, how did you hear about EPCC before becoming a student? Check all that apply.' with a dropdown menu currently showing 'Not currently a student'. Both polls indicate they were posted on April 25 and April 28 respectively, with 244 days remaining.
